**Question:** Do you agree that you child's learning can benefit from the targets in the School Development Plan?

- Yes good for the population of the school
- The learning of all students is reflected -yes, it is good for the population of the school

**Question:** What learning experiences are most important for our students?

- Swimming – important skill for students to have and kids don't always get to experience it
- Outdoor camp – gives an incredible experience outside of regular learning
- Anything that gets them out of the school
- Zoo school will be great for the grade threes
- More fine arts opportunities - focus a lot on the PE side of thing but not as much about the arts (eg. Quest Theatre)
- Be Brave was a great experience for the students (good to be able to see a hockey game and be part of a large group activity)

**Question:** How many experiences do you feel your child should have within a school year?

- Each grade group to have one per semester
- 2-3 minimum
- Learning on the land experiences
- Swimming, outdoor experience, grade specific curriculum
- More trips to Fishcreek or places that don't need to cost a bunch of money
- Not every experience needs to be for all students

**Question:** How many school wide fundraising events to support these experiences would be reasonable?

- Not every experience needs to be for all students
- Sticking to Healthy Hunger but increasing the number of times it is offered
- Dances
- Gingerbread house
- Work within these events
